

Susan J. Sheridan

Areas of Practice

Business Law

General business counseling to individuals and business owners in the selection, formation, acquisition, operation, and dissolution of business entities. Advice regarding the rights and duties of business owners, officers, directors, management and shareholders. Protection of confidential, proprietary information and non-competition issues addressed.

Employment Law

Counseling regarding pre-employment screening procedures, employment contracts, discipline, and termination procedures. Development of employee handbooks, forms, policies, practices and procedures for the proper implementation of human resource functions. Sexual harassment training for employers and managers as required by California law. Investigations conducted of harassment and discrimination complaints. Representation in issues involving discrimination, sexual harassment, retaliation, wrongful termination and disability accommodation.
